Please come prepared

The event takes place in a park with shady places under some trees, however please make sure that you bring sun hats and creams. Also don't forget to prepare for a shower of rain, the ground in Central Park can become quite muddy when wet. Some workshops can be messy so we also recommend an apron or some messy clothes that your Little Person could wear.

Security

When you arrive at the gate, you will be asked to provide a special code word that will be written on a paper band worn on your child's wrist and on the wrists of all other members of your party. This will help us reunite you with your child, should you become separated. To save time at the entrance gates, please decide what word to use before you arrive.

Photographers

Please note that official photographers will be on site and clearly identified at the event. If you have any objections to yourself or your little ones being photographed, please make it known to the event organisers at the start of the day.
