

Group Bookings

Thank you for choosing to bring your group to visit Chelmsford City Theatres.

Did you know we offer many services as an extra to enhance your group booking experience? Listed below are all the wonderful things we can add onto your group booking, take a look and see if there's something we can do to help make your visit one to remember*.

- ✓ **Interval drinks, sweets and Ice Cream** - Want to make your trip extra special? Skip the hassle of queuing at the bar or surprise your group by pre-ordering their drinks, sweets and ice cream for the interval. Interval drinks/sweets/ice cream orders made before the scheduled show and must be paid for in advance.
- ✓ **Theatre tours** - Any theatre enthusiasts in your group? Let us show them how we do it with a theatre tour. Please note this is not available on all performances.
- ✓ **Celebrate good times** – Our Civic bar and Cramphorn Studio foyer is a great space for a get together! If you're bringing a group to celebrate at the theatre we can accommodate a space for your group to eat and have fun before the show – perfect for children's parties! Or if you'd prefer something simpler you can bring in a Birthday cake before the show and our bar staff will arrange for it to be presented in a reserved area in time for the interval. Make it extra special by pre-ordering a bottle of Prosecco for the grownups to wash all that cake down.
- ✓ **Feeling peckish?** We can organise a pre/post-show buffet for your group in our Theatre Bar or Cramphorn Studio Foyer.
