

Questions and Statements from the public to the Regulatory Committee on 27 January 2022

Statement 1)

Dear Sir,

Please would you refer the following to Regulatory Committee 27th January.

The Pavement Licensing Policy should be revised to safeguard adequate width for cycle routes (not just the Tindal Square area). This should include use of typical post/rail/banner segregation to minimise the safety risk of chairs/pushchairs/wheelchairs being pushed into the right of way. As an example of recent problems, I would refer to premises on Barrack Square and Kings Head Walk (e.g. Recess, Toast and Acanteen)

Also, please can you tell me what the system is for obtaining rectification of problems.

Thanks,
Mr Hammond
