#### Purpose

This report updates the rolling programme of work for this Committee.

#### Recommendations

That the rolling programme of work for the Committee is agreed.

---

#### 1. Introduction

1.1. The Audit & Risk Committee works to a standard programme of work to ensure that their work is spread evenly across meetings, as far as possible, and to ensure that core reports are produced at the appropriate time within the Council's reporting timetable.

#### 2. Self-assessment and training

2.1. CIPFA issued a new position statement on Audit Committees in September 2022. A review of the position statement against our current Committee terms of reference and governance arrangements will be undertaken to ensure that we continue to be aligned to best practice. A new survey of Committee Members will also be undertaken in line with any new recommendations from the guidance.

#### 3. Rolling Programme of Work

3.1. Many of the reports submitted to this Committee are presented on a cyclical basis and can be timetabled for particular meetings. However, from time to time additional reports are requested which are presented to future meetings.

The proposed rolling programme of work for this Committee for the next series of meetings is shown below.
