

FalcoPod Cycle Hangar User Guide

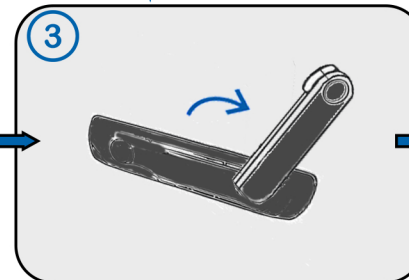

OPENING

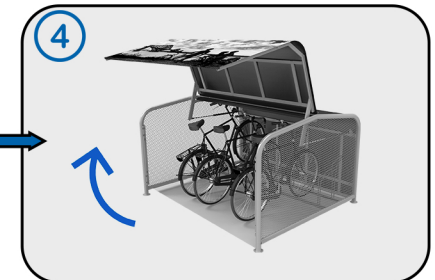

Push Down on Foot Pedal

Press padlock symbol and keep finger pressed down until the lock opens (the screen gradually turns orange)

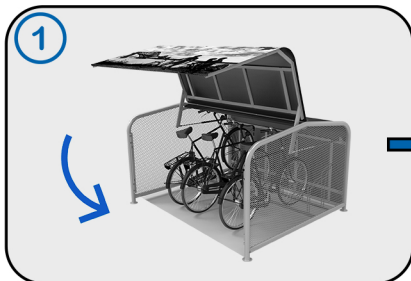

Pull out and turn the swing arm clockwise to unlock the Bike Hangar

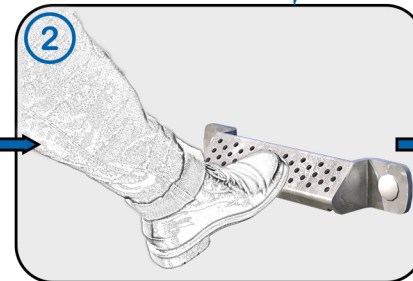

Pull on the door handle until the door rises automatically

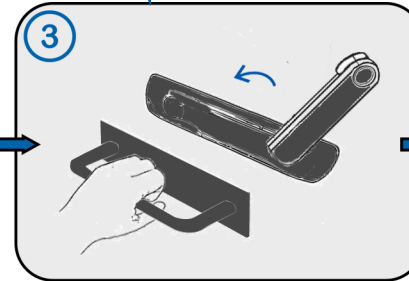

CLOSING

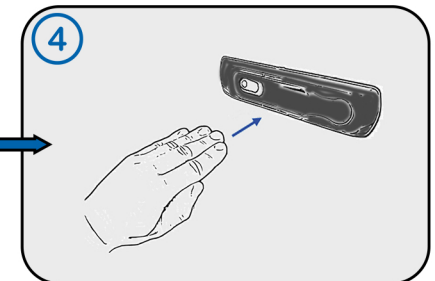

Close the Bike Hangar by pulling down on the door

Push Down on Foot Pedal

Hold the door down and turn the swing arm anti-clockwise back to its original position

Push the swing arm in until it clicks
