4. **Licensing Act 2003 – Application to vary a Premises Licence – Boom Battle Bar, 106-108 Bond Street, Chelmsford, Essex, CM1 1GH**

The Committee considered an application to vary a premises licence made under Section 34 of the Licensing Act 2003 and had regard to the representations made during the consultation period. These related to the promotion of the below Licensing objectives.

- a) The prevention of crime and disorder
- b) Public safety
- c) The prevention of public nuisance
- d) The protection of children from harm

The Committee were informed that the application had sought the removal of condition 24 from their existing licence, which had prevented customers from consuming alcohol prior to engaging in 'high-risk' activities and required staff to refuse participation where alcohol had been consumed, and replaced with a condition that customers are 'risk assessed' throughout their visit as to whether or not they are fit to partake in the axe throwing activity. The application also sought an extension to the permitted hours for licensable activities, to include 10am to 12pm on Saturday's and Sunday's.

It was noted by the Committee that there were three options namely;

- Grant the application, on the terms and conditions applied for.
- Grant the application, on the terms and conditions applied for, modified to such extent as considered appropriate to promote the licensing objectives.
- Refuse the application in whole or in part.

The below parties attended and took part in the hearing:

- Applicant – Legal Representative, Operations Director, General Manager
- City Councillor, representing the Ward Councillor who had made a representation against the application.

Officers informed the Committee that in response to the application, one representation had been received from a Ward Councillor. No representations had been received from Responsible Authorities or Members of the Public. [The Committee was reminded of the green sheet of amendments, available here, which detailed additional conditions agreed between the applicant and the City Council's Business Compliance Team.](#)

The applicant gave an overview of why they had made the request to remove condition 24 and substitute with another condition and to increase the hours of operation at weekends. They stated that they wanted a consistent and safe customer experience across their venues, that their venues offered something unique to customers, where alcohol was part of the offer but not the sole aspect of their offer. They also stated that their venues were not a generator of crime, the Chelmsford branch had not experienced any police call outs and that the changes would not alter that. They provided the Committee with detailed information about how the axe throwing was a safe activity, with processes in place to protect customers and staff and that it was a managed and risk assessed activity, that was risk assessed whilst taking place, not just prior.

The applicant summarised to the Committee that there had been no objections from any responsible authorities, the key bodies that the Committee was required to have due regard to when making decisions. They noted that instead key meetings had taken place between the applicant and responsible authorities, that had led to the amended risk assessment and agreed conditions with the City Council's Business Compliance team. They also reminded the Committee that decisions needed to be evidence based, not concern based and that they operated over 20 venues across the country, with the improved and updated condition, which was evidence that the Committee should consider.

The Committee heard the representations made on behalf of the Ward Councillor. The Committee were informed that they had not been trying to prevent the business from operating and that instead there was a difference of opinion on the consumption of alcohol whilst taking part in high-risk activities. It was noted that it appeared to be a move from a preventative measure that was quite absolute, to a more subjective measure, especially given how people responded differently to alcohol. The Committee was informed that it was not always easy to assess how intoxicated someone might be and that the proposed condition was not as black and white as the existing one. They also stated that they were not implying that the area was high-risk, by objecting to the increased hours, instead that, with more hours available for

alcohol consumption, the risk of intoxication on the site would increase. They summarised by asking the committee to refuse the removal of the condition and the extension of hours.

In response to the points raised by the Councillor and members of the Committee, it was confirmed by the applicant that:

- The change in condition had been requested as the current condition, prohibiting the consumption of alcohol whilst taking part in the axe throwing was a sub-optimal way to operate and that other venues within their estate had changed to the new condition without issues.
- Conditions placed upon a licence should be appropriate and that what was appropriate was the agreed conditions and revised risk assessment, via discussions with the responsible authorities.
- They were already open for 14 hours, but this did not mean customers would consume alcohol for 14 hours, so being open for 16 did not mean anyone would consume alcohol for 16 hours, as they would follow the requirements placed upon them, regarding the responsible consumption of alcohol.
- If the variation was approved, they would be able to serve alcohol from 10am.
- Terms and conditions and training for those taking part, was designed to ensure the safety of those nearby, with regard to distances from the individual throwing the axe etc.
- They were happy to amend condition 6 on the green sheet of further agreed conditions, to also read within 48 hours as detailed in condition 5.
- They were also happy for a condition to be added, that only single measures of drinks, i.e a 25 or 35ml spirit, should be served to those taking part in the axe throwing, rather than doubles, i.e a 50ml spirit.
- Dynamic risk assessments would take place with individuals who were looking to book the axe throwing when already in the venue, to see if they were in a fit state to take part in the axe throwing.
- Staff were well trained and experienced in assessing the intoxication levels of individuals and would take longer to assess those who hadn't pre-booked and that the risk assessment detailed aspects, such as suitable footwear, age restrictions and other matters.
- In the past a group had been removed from the axe throwing area, as it had become clear that they had become more intoxicated whilst taking part than originally appeared and that staff would be looking out for this issue.
- In 21 other venues, they were already utilising the amended condition without issue.
- Extending the hours for alcohol consumption would provide the ability to sell alcohol to those visiting before 12pm, therefore increasing profits and affordability of the business and that it was a lawful request, backed up by the fact that they did not have any crime or disorder issues with alcohol consumption at other times in the day, therefore there was no evidence to suggest any negative impacts of an earlier sale.

The Committee's legal advisor and licensing officer sought clarification on the change in licensable hours request for, the applicant confirmed that they were requesting an increase in the playing of recorded music for the hours between 10am and 12pm on weekends and that the axe throwing activity was not a licensable activity

The Committee thanked the attendees and officers for their input and advised that the decision would be made during the deliberation after the meeting. It was noted that due to the remote nature of the meeting, the decision would be circulated to all parties within a few working days via email.

The Committee gave careful consideration to this application for a premises licence and to all relevant representations both written and as expanded on in the course of the hearing. In addition, the Committee had due regard to the statutory guidance issued by the Secretary of State under section 182 of the Licensing Act 2003 and to the Council's own Licensing Policy.

RESOLVED that

A). Removal of condition 24 and substitution with the condition proposed by the applicant (below).

The Director of Sustainable Communities be authorised to GRANT the variation, modified as agreed at the Committee hearing and set out below at (2) and (3);
1. The new condition 24 (which followed pre -application consultation with Essex Police) will read as follows;

"The suitability of participants in high-risk activities will be assessed by a dedicated member of staff before and continuously throughout their participation. Staff will continuously monitor participants and have the authority to immediately stop any activity and remove participants if they exhibit signs of intoxication or inability to safely participate. Staff retain absolute discretion to refuse alcohol service or exclude any participant deemed unfit to participate safely. Records will be maintained of any guests refused permission to participate in axe throwing, together with a copy of the Standard Operating Procedure and risk assessment for the activity."

The conditions to be added to the licence were agreed with the applicant at the hearing (as deemed appropriate for the promotion of the relevant licensing objectives) are as follows;

2. "Spirits shall only be served to customers who are participating in axe throwing as a single 25ml measure (for the duration of the axe throwing)."

3. The conditions as agreed by the Chelmsford City Council Business compliance team (Public Health and Protection Services) (as per the Green sheet) to the Agenda pack, save for condition 6 has 'within 48 hours' added to the end of it. This is to bring it in line with the other agreed conditions.

B). Vary the start time for the supply of alcohol and the playing of recorded music from 12pm to 10am on Saturdays and Sundays. (the applicants legal representative confirmed at the hearing that they are not applying for the axe-throwing to be extended as they considered it not to be a regulated activity)

The Director of Sustainable Communities be authorised to GRANT the variation as applied for.

In reaching its decision on both of the above decisions, the Committee gave careful consideration to the application and the relevant representations both

written and made during the hearing. The Committee had regard to its statutory duty to take such steps as it considers necessary to promote the licensing objectives. The Committee also took into account section 34 of the Licensing Act 2003, the current Statutory Guidance under section 182 and Chelmsford City Council's licensing policy.

The Committee was mindful of the fundamental requirement (as set out in paragraph 9.43 of the section 182 guidance and reiterated by case law) that any decision made by it on licensing applications must be evidence-based and justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve.

The Committee gave due weight to the fact that there were no objections to the application from any of the Responsible Authorities, particularly the Police. The Committee heard from the Applicant that they conduct a robust and rigorous operation and that across their 24 bars across the Country, there have been zero incidents since opening.

At the time of the hearing there was no evidence before the Committee on which it could properly conclude that, if the variation application were to be granted, (with the above modifications) that any of the licensing objectives would be undermined.

The meeting closed at 12.01pm

LICENSING ACT 2003 – APPLICATION FOR A PREMISES LICENCE: KFC, 271 BROOMFIELD ROAD, CHELMSFORD, CM1 4DP

Report by: Director of Sustainable Communities

Officer Contact:

Kate KOBER, Katherine.kober@chelmsford.gov.uk 01245 606727

Purpose

The purpose of this report is for members to consider an application given by Kefco Sales Limited made under section 17 of the Licensing Act 2003, for the grant of a premise licence in respect of KFC, 271 Broomfield Road, Chelmsford, CM1 4DP, having regard to representations received and the requirement to promote the four licensing objectives.

These are:

- a) The prevention of crime and disorder
- b) public safety
- c) The prevention of public nuisance
- d) The protection of children from harm

Recommendations

Members are advised that they have the following options when determining this application.

- Grant the application, on the terms and conditions applied for
- Grant the application on the terms and conditions applied for, modified to such extent as considered appropriate to promote the licensing objectives.
- Refuse the application in whole or in part.

An appeal in respect of any determination made in connection with this application may be made to the Magistrates Court within 21 days of the

notification given by the Licensing Committee, by the licence holder, Chief officer of police, or any other person making relevant representation.

1. Background and Introduction

- 1.1 The premises are located on Broomfield Road, adjacent to a parade of commercial premises and near several residential properties. The surrounding area includes residential dwellings which may be sensitive to noise and disturbance arising from late night activity. A Google map image of the premises is attached as Appendix A.

Members may wish to have regard to the nature of the locality when considering the application, in particular the potential impact of the proposed late-night operation of the drive through and takeaway service until 05:00 hours on nearby residents.

2. Application

- 2.1 The application has been properly given in accordance with the Licensing Act 2003 and all procedures correctly followed. The completed application form is attached as **Appendix B**.
- 2.2 The application form for the premises licence was received on the 20th February 2026 and correctly advertised by placing blue public notices at the premises, by publication in a local paper and on Chelmsford City Council's website.
- 2.3 The premises licence application seeks authorisation for recorded music and late-night refreshment for customers dining within the restaurant until 00:00 hours daily. In addition, the application seeks to authorise the operation of the drive through and takeaway service to provide late night refreshment until 05:00 hours daily
- 2.4 Members should note that the premises currently benefit from an existing premises licence permitting late night refreshment until 00:30 Monday to Sunday. A copy of the existing licence is attached as Appendix C.

The application therefore proposes to extend the hours for late night refreshment in respect of the drive through and takeaway operation beyond those currently authorised.

Members may wish to consider the proposed operation of the drive through and takeaway service into the early morning hours, the proximity of residential properties, and whether the measures set out within the operating schedule are sufficient to promote the licensing objectives.

- 2.5 Members are asked to note that, as this report is available in the public domain, personal details have been redacted from some documents. However, both the Authority and the applicant have received complete copies of all documents.

3. Representations

- 3.1 During the course of the application, Chelmsford City Council, in line with the Act, sent a copy of the application to all responsible authorities.
- 3.2 Four representations from members of the public were received, which are detailed at Appendix D

The concerns raised can be summarised as follows:

- **Prevention of public nuisance:** concerns regarding potential noise disturbance arising from the extended operation of the drive through, particularly during late night and early morning hours, and issues relating to littering associated with takeaway customers.
- **Prevention of crime and disorder:** concerns regarding the potential for increased antisocial behaviour associated with customers attending the premises during extended hours.

Members should consider these representations insofar as they relate to the likely effect of the grant of the application on the promotion of the licensing objectives.

- 3.3 Essex Police had no objections to the application. Essex Police are the primary responsible authority in relation to the prevention of crime and disorder

4. Conclusion

- 4.1 Members are reminded that Section 13 of the Council's Statement of Licensing Policy relates to the procedures and responsibilities of the Licensing Committee, including decision making principles and the application of conditions. Members are directed to have regard to this section when determining the application
- 4.2 This application has been correctly submitted and processed in line with the requirements of the Licensing Act 2003.
- 4.3 At the conclusion of this hearing, members are advised to consider the options set out in the recommendations section at the beginning of this report.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

 - (b) be entitled to carry out that activity by virtue of section 4 of that Act.

(3) Where the permitted price given by Paragraph (b) of paragraph 2 would (apart from this paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.

(4)(1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day (“the first day”) would be different from the permitted price on the next day (“the second day”) as a result of a change to the rate of duty or value added tax.

(2) The permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

Representation 1

regarding Incoming premises application for KFC KEFCO Sales Ltd 271 Broomfield Road, Chelmsford, CM1 4DP. I am a resident in the vicinity of the application site and would like to object to this application on the basis of the antisocial behaviour associated with late night eating and drinking. The likelihood of additional rubbish being thrown out of cars will be increased. If this was more city centre it may be managed by street cleaning but right on the northern edge of the city it would not be covered as effectively. I do not want to be a kill joy but in a residential area, this extended hours application, should not be approved. There are better locations for this application.

Representation 2

I want to strongly object to the application made by KFC on Broomfield Road for a 21 hour licence 7 days a week from 8am to 5am & for deliveries to be made during this time. This KFC is situated in a mainly residential area & the residents have a right to peace & quiet at least between the hours of 11pm & 7am. This application, if it is successful, would lead to increased noise, litter & the likelihood of anti-social behaviour which is totally unacceptable & would have a detrimental effect on the health & wellbeing of the people living in the vicinity. I would strongly urge the Licensing Committee to refuse this application.

Representation 3

I live in Pentland Avenue & object to the extension of this license from the current opening hours of 10.30am to 11pm every day for several reasons. The premises is in a residential area with many elderly & young children which is fairly quiet between midnight & 5am despite the busy Broomfield Road. There are currently 3 other takeaway/cafes & 2 takeaways including Tesco on nearby Broomfield Parade which are all open quite long hours. Tesco used to open at 5am but it now opens at 6am & closes at 11pm. There is also a garage in Main Road Broomfield a few minutes drive away to the north which is open 24/7 & in another garage a similar distance away to the south in Broomfield Road which is open 7am-11pm & 8am-11pm on Sundays. Both garages sell food & drink so there doesn't seem to be a need for KFC in Broomfield Road to be open longer hours. If the license extension was granted then there would be delivery vehicles coming & going 8am to 5am with only 3 hour break. Recorded music until midnight & people talking all night long. I know people on the other side of Broomfield Road can hear noise & smell the cooking late in the evening when their windows are open in the summer. I only heard about this application as I happen to be on Broomfield Parish Council & the Clerk was notified of this application. It appears there's no means of alerting local residents to this application except 2 notices on the premises which few would have seen as 1 was on the door of the premises so drive through customers wouldn't have seen it either.

There was 1 other on a lamppost next to the pavement in front of the KFC again few residents affected would normally walk along there especially if they lived behind the premises or across the main road. It was in the official notices section of the Essex Chronicle but again not many people buy that newspaper these days & I couldn't find the notice anywhere on Chelmsford City Council's website.

Please consider whether extending this license would be in the interests of the community.

Representation 4

My objection to the requested increase in the opening hours and playing of music at the KFC premises on Broomfield Road. I have lived opposite this KFC for 20 years and am cognisant of the noise created by the drive through ordering of food. I am able to sleep with a bedroom window open because the road is relatively quiet after 11pm, until 6am when the traffic noise forces me to close the window. The proposed change to 5 am would allow me one hour of quiet sleep. This is a quiet residential area with many elderly folk living close to the KFC premises. Please allow us to enjoy our sleep in peace.
