(Voter ID evaluation form)

As this is the first year of enforcing voter ID, we need to keep a record of some key information so that we can identify trends and demands for the future.

Please tally the number of voters that used a Voter Authority Certificate as their form of ID

	Total:
--	--------

Please tally the number of voters that used an Anonymous Electors Document as their form of ID

	Total:
--	--------

Please tally the number of people that request that their ID is checked in private

	Total:
--	--------

Was a member of staff assigned (at any time during polling day) to explain the voter ID requirements to voters before they applied for a ballot paper?

YES / NO

Unable to issue a ballot paper

Using the table above, please indicate the number of voters that..

Were not issued a ballot paper (column A)	
Produced ID that could not be accepted (column B)	
Were unable to produce an accepted form if ID (column C)	
Were originally refused a ballot paper but returned with acceptable ID (column D)	

Refusal to issue a ballot paper

Using the table above, please indicate the number of voters that..

The PO refused to issue a ballot paper to (all entries in left hand column)	
The PO refused to issue a ballot paper because they were not satisfied that their ID was of who they claimed to be (reason 1)	
The PO refused to issue a ballot paper because they believed their ID was a forgery (reason 2)	
The PO refused to issue a ballot paper because they could not answer the prescribed questions (reason 3)	
Returned after being refused and were issued with a ballot paper (all entries in right hand column)
