Chelmsford Draft Local Plan Schedule of Minor Changes

June 2018

Our Planning Strategy to 2036

Chelmsford Pre-Submission (Publication Draft) Local Plan Schedule of Minor Changes, June 2018

This document sets out some 'Minor Changes' to the Chelmsford Pre-Submission Local Plan and Policies Map. These include typographical errors such as a misspelt word or missing punctuation that have been identified by the City Council following consideration of the Pre-Submission consultation responses and updated Local Plan evidence base, and should be read alongside the Chelmsford Pre-Submission Local Plan. The minor changes do not affect the soundness of the Local Plan and are not intended to be matters to be considered by the Inspector.

All minor changes are denoted by an 'MC' prefix. Where relevant, the Policy Number, Paragraph Number, Policy, Figure, Table, Map and Page Number that the changes relate to has been referenced. In order to help the reader identify the areas of the Plan that are proposed to change, the page number refers to the Pre-Submission Version of the Local Plan. The tables also include a column headed 'reason for change' which highlights the source of the change.

Outside of the scope of this schedule, the Council have suggested some 'Additional Changes' to the Plan and Policies Map. Although these do not affect the soundness of the plan they are intended to support the Local Plan Examination process and will be matters to be considered by the Inspector.

Where appropriate, specific deleted text is shown via a ~~strike through~~, whilst new text is underlined and highlighted in red.
