

Chelmer Village to Beaulieu Park Station Cycling Routes

Station information

What3word ref for Beaulieu Station
pans.enable.gums

Postcode
CM3 3QW

A network of cycle paths have been installed around **Beaulieu Park Station** to make it as easy as possible for cyclists to travel sustainably.

There are two cycle storage areas available: one near car park A and the other near the bus interchange on the other side of the station.

There are over 300 secure covered lockers providing a dry, safe, and locked location to store your bike.

These are available exclusively for registered bike locker permit holders for a small annual fee.

Apply for your bike locker at
chelmsford.gov.uk/beaulieubikes

To access the secure cycle storage you will need to tap your fob on the top of the keypad next to the door.

Don't forget to close the door when you leave to ensure the safety of your bike and others.

There will also be over 200 free two-tier spaces available, including accessible spaces. Instructions for how to use these will be displayed on site.

Toilet facilities are for train passengers and are located beyond the gateline, on platforms 2 and 3.

A water bottle filling machine is available on the station concourse.

The cycle storage areas are well lit and monitored by 24/7 CCTV coverage. However, to keep you bike safe we recommend:

- using two locks (one of which should be a D-lock)
- registering the frame number on the national bike registration database at **bikeregister.com**
- security marking your bike. Essex Police run regular bike marking events - find one near you at **bikeregister.com/events**

From Beaulieu Square, CM1 6AU
(clean.locate.odds): 1.5 miles miles

From Edge of Channels Estate, CM3 3FS
(spin.smart.swept): 3.6 miles
