Exclusion of the Public

Resolved that under Section 100A (4) of the Local Government Act 1972 the public be excluded from the meeting for Item 4 on the grounds that it involved the likely disclosure of exempt information falling within paragraph 1 of Part 1 of Schedule 12A to the Act.

4. Licensing Act 2003 – Determination of whether to revoke or suspend a personal licence

Public interest statement: It is not in the public interest to disclose the content of the report because the information in it concerns the interests and circumstances of an individual who has an expectation that such information would not normally be released to the public. To do otherwise would establish a precedent for the future treatment of personal information.

Officers informed the Committee that the consideration of the suspension or revocation of a personal licence held by Mr P under Section 132A of the Licensing Act 2003, following a request from Essex Police. It was noted that Mr P had held a personal licence issued by Chelmsford City Council since December 2005.

The Committee was advised that the matter had come to the attention of the Licensing Authority following enquiries relating to an application to vary the

Designated Premises Supervisor at premises in Billericay. The variation application was subsequently withdrawn.

The request related to a relevant offence described as ‘trafficking in drugs without serious damage to health,’ the licence holder was convicted on 30 October 2025 at the Provincial Court of Malaga, Spain. The licence holder was sentenced to imprisonment and fined. It was also noted that Mr P did not notify the Licensing Authority of the conviction under section 132 of the Licensing Act 2003.

The Committee was advised that notice had been served on Mr P inviting representations and that written representations had subsequently been received on his behalf. Members were informed that the representations outlined the circumstances surrounding the conviction, acknowledged the failure to notify the Licensing Authority and requested that, if the Committee considered action necessary, a suspension of the personal licence be imposed rather than revocation.

It was noted that supporting documentation had also been submitted, including a character reference and correspondence relating to potential employment opportunities within the licensed trade.

It was noted by the Committee that there were two options namely;

- Suspend the Licence not exceeding six months
- Revoke the Licence

The Chair advised that the written representations had been read and considered by the members of the Committee in advance of the meeting.

The Committee was informed by Mr P's legal representative that, whilst Mr P had entered a guilty plea to the offence, the circumstances surrounding the conviction were more complex than they initially appeared.

It was shared that Mr P had been operating a haulage business in Spain when he was detained by Spanish authorities following the discovery of a large quantity of cannabis in connection with work being undertaken for a client.

The Committee was informed that Mr P spent approximately three years in custody awaiting trial and was advised that he faced a substantially longer sentence if the matter proceeded to a full hearing. It was noted that he subsequently accepted a plea agreement which resulted in a sentence equivalent to the time already spent in custody.

Mr P accepted responsibility for failing to notify the Licensing Authority of the conviction, although it was explained that, due to the circumstances at the time, this had not been prioritised.

The Committee was informed that Mr P wished to rebuild his life and career within the hospitality industry in the United Kingdom and that revocation of the personal licence would significantly impact his future employment prospects.

The Committee was referred to character references submitted in support of Mr P, including one from a longstanding business associate who intended to employ him as a Designated Premises Supervisor at new licensed premises, together with evidence that another employment opportunity had been withdrawn as a result of uncertainty regarding his personal licence.

The Committee was asked to consider imposing a suspension rather than revoking the licence and was informed that Mr P would not undermine the licensing objectives if permitted to retain his personal licence. The representative also noted that Essex Police would remain able to make representations in relation to any future licensing applications submitted by Mr P.

In response to questions from Members, it was noted that Mr P was continuing his haulage transport business in the UK and assisting a colleague with establishing licensed premises.

At this point of the meeting, the Committee retired to deliberate. It was noted that due to the remote nature of the meeting, the decision would be circulated to all parties via email.

The Committee concluded that, whilst it had sympathy for the personal circumstances outlined by Mr P and had carefully considered the representations made on his behalf, the offence in question was a serious one.

The Committee considered that holders of personal licences occupied positions of responsibility within licensed premises and were expected to uphold and promote the licensing objectives at all times.

The Committee concluded that the nature of the offence was incompatible with the promotion of the prevention of crime and disorder licensing objective and that significant weight should be attached to this consideration.

In reaching its decision, the Committee balanced the personal circumstances of Mr P against the need to protect the licensing objectives.

RESOLVED that that the Director of Sustainable Communities be authorised to revoke the premises licence of Mr P.

Reasons for decision

1. The Committee had due regard to its statutory duty to take such steps as it considers necessary to promote the licensing objectives. The Committee also took into account section 132A of the Licensing Act 2003, the current Statutory Guidance under section 182 and Chelmsford City Council's licensing policy.

2. In reaching its decision, the Committee took into consideration, as required by s.132A (7) of the Licensing Act 2003;
    a. any representations made by the licence holder under this section,

b. any decision of a court under section 129 or 130 of which the licensing authority is aware, and

c. any other information which the authority considers relevant.

3. The Committee gave due consideration to the request for revocation received by the Police on the information that Mr P had been convicted of a relevant offence described as 'trafficking in drugs without serious damage to health,' the licence holder was convicted on 30 October 2025 at the Provincial Court of Malaga, Spain.

4. The Committee carefully considered Mr P's representations through his solicitor, including that he had held a licence since 2005 and had a good reputation and track record. The Committee considered the assertion that Mr P did not have any knowledge of what the consignment contained.

5. The Committee also considered the fact that Mr P did not notify the Licensing Authority of the conviction, despite this being a requirement under s.132 of the Licensing Act 2003. (In fact, it is a criminal offence under the s.132, for the licence holder to fail, without reasonable excuse, to fail notify the Licensing Authority as soon as reasonably practicable after conviction of details of the nature and date of the conviction, and any sentence imposed.) The Committee considered, on the facts, this failure on the part of Mr P to notify the conviction to be inexcusable and a matter of grave concern.

6. The Committee was reminded that decisions on licensing applications must be evidence based.

7. The evidence before the Committee (the conviction for drug trafficking and failure to notify the Local Authority of the conviction) led the Committee to conclude that if the personal licence were allowed to continue, the licensing objectives would be undermined.

8. The Committee concluded that, whilst they appreciated the difficult circumstances outlined by Mr P's representative and had carefully considered the representations made on his behalf, the offence in question was of a serious nature.

9. The Committee considered that holders of personal licences occupied positions of responsibility within licensed premises and were expected to uphold and promote the licensing objectives at all times.

10. The Committee concluded that the nature of the offence was incompatible with the promotion of the prevention of crime and disorder licensing objective and that significant weight should be attached to this consideration.

11. In reaching its decision, the Committee balanced the personal circumstances of Mr P against the need to protect the licensing objectives.

12. The Committee further noted that whilst the Committee considered Mr P's failure to notify the conviction to be a matter of grave concern and conduct that fell to be taken into account by the Committee under s.132A(7)(c) (i.e. "any other information which the authority considers relevant") the Committee would have reached the same decision to revoke the licence irrespective of Mr P's failure to notify.

INFORMATIVE

It was noted that the decision would take effect after 21 days had elapsed from receipt of notice of the decision. (Decision being sent via email on 29th October, so 21-day period ends on 19th November).

The meeting closed at 10.25am

Licensing Act 2003: Application to vary a premises licence, New World Sound, Central Park, Chelmsford

Report by:
Director of Sustainable Communities

Officer Contact:
Simon Parnham, Licensing Officer, 01245 606730, licensing@chelmsford.gov.uk

Purpose
To enable Members to determine New World Sound Ltd's application under section 34 of the Licensing Act 2003 to vary premises licence 25/00073/LAPRE, having regard to the relevant representation and the licensing objectives.

Recommendations

That the Committee determines the application to vary the premises licence under section 35 of the Licensing Act 2003, having considered the application, relevant representation, licensing objectives, statutory guidance and the Council's Statement of Licensing Policy.

- Grant the variation as applied for.
- Grant the variation in whole or in part, with modifications to the licence conditions where appropriate for the promotion of the licensing objectives.
- Reject the application in whole or in part.

The Committee must give reasons for their decision. The existing premises licence remains in force in respect of any part of the variation not granted.

The applicant and any person who made a relevant representation may have a right of appeal against the Committee's decision under Schedule 5 of the Licensing Act 2003. Any appeal must be made to the Magistrates' Court within 21 days beginning with the day on which the appellant is notified of the decision.

Summary of Key Points

The application seeks to extend the days and hours during which licensable activities may take place. Although the proposed hours would permit activities across five consecutive days, the application does not specify two five-day events or seek authorisation for a particular number of events. The variation relates to the permitted days and hours rather than the number of events held.

1. Introduction

1.1 New World Sound Ltd holds premises licence for New World Sound, Central Park, Parkway, Chelmsford. A location map and site layout are listed at **Appendix A.** The existing premises licence is at **Appendix C**.

2. Application

2.1 The licensing authority received the application to vary the premises licence on 30 September 2026. The application is at **Appendix B**. The report records that public notices were displayed at the premises and that the application was advertised in a local newspaper and on the Council website.

2.2 The applicant describes the variation as “Add extra days for events”. The completed application includes Thursday from 15:00 to 22:30 for plays, films, live music, recorded music, performances of dance, similar entertainment and the supply of alcohol. Proposed opening hours on Thursday are 15:00 to 23:00.

2.3 The application seeks to vary the days and hours during which licensable activities may take place. The existing and proposed hours for regulated entertainment are summarised below.

Day	Existing hours	Proposed hours
Monday	12:00–18:00	12:00–21:00
Thursday	Not authorised	15:00–22:30
Friday	16:00–23:00	15:00–22:30
Saturday	13:00–22:00	12:00–22:30
Sunday	13:00–22:00	12:00–22:30

2.4 The application does not specify a maximum number of additional events. The proposed changes concern the days and hours on which licensable activities may take place.

2.5 Personal details have been redacted from documents made available publicly where appropriate.

3. Conditions and consultation

3.1 The current premises licence contains conditions relating to event management, alcohol sales, security, noise monitoring and complaints arrangements (Appendix C).

4. Representations

4.1 The application was circulated to responsible authorities. One representation was received from two local residents on the grounds of the prevention of public nuisance licensing objective. The residents' express concerns about noise from events in Central Park, the number and duration of events, and the effect on their enjoyment of their property, sleep and ability to work. The representation refers to two periods of five days. The representation is at **Appendix D**.

4.2 The representation sets out the residents’ concerns. Members must assess its relevance and weight alongside the application and other material before them.

5. Legal and policy framework

5.1 Section 35 of the Licensing Act 2003 requires the licensing authority, where relevant representations have been made, to hold a hearing unless all parties agree it is unnecessary. Having regard to those representations, Members may take such steps as they consider appropriate for the promotion of the licensing objectives, including modifying licence conditions or rejecting all or part of the application.

5.2 Members must have regard to the statutory guidance issued under section 182 of the Licensing Act 2003 and the Council's Statement of Licensing Policy. Any decision must be based on the individual merits of the application and relevant evidence. Appeal rights are provided by Schedule 5 to the Act, generally within 21 days of notification of the decision.

6. Matters for determination

6.1 Members are asked to consider the proposed licensed days and hours, the existing and any proposed conditions, and the representation relating to public nuisance. The extent of any variation granted, and any condition changes, must be clearly recorded in the decision.

7. Conclusion

7.1 Members are requested to determine the application in accordance with section 35 of the Licensing Act 2003, taking account of the application, relevant representation, statutory guidance and Council policy. No particular outcome is recommended.

Where
a) the film classification body is not specified in the licence, or

(4)(1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph2 on a day ("the first day") would be different from the permitted price on the next day ("the second day") as a result of a change to the rate of duty or value added tax. Annex 4 – Plans

1. This is a complaint about the licence extension currently posted in Central Park. This application is by New World Sound LTD and it is to request TWO periods of FIVE days for activities in Central Park. It does not seem to have a number but references S/17/34.

   Central park is an open area within close audible range of 100's of properties in central Chelmsford with 1000's in easy earshot. The park has one large field. This is not an "Events Field" as described in the application - it is a public recreation field, used for picnics and informal small scale games.

   A weekend is two days long. A long weekend is 3 days long. The application is for two periods of effectively one week each. Events in the park ALWAYS cause excess noise. It seems we have to accept this for a few weekends in the year. Recently the number of events has greatly increased, and so have the duration. It is quite clearly the case that the park is not a suitable arena for these type of events.

   I and my wife (names have been redacted) strongly object to the extension to the number of days requested in this application. The noise affects the normal use of our property and our sleep. In addition such noise outside weekend days negatively affects the ability of me to do my work both during the day and by sleep loss at night. This has a direct financial effect on my employer. To be clear this is an objection stating the events will cause a Public Nuisance.
