**4. Five Yearly review of Statement of Licensing Policy**

The Committee received a report regarding the Statement of Licensing Policy review that they had sent out for consultation after initially approving it in July. Members were asked to consider the policy alongside the one response that had been received from the Street Pastors. It was noted by the Committee that the Street Pastors had recommended the following line to be added to the policy. "There should be strict adherence to Covid-19 regulations/guidelines in and around the venues". The Committee agreed that the wording should be added to the policy and asked officers to add it as an extra line under the public safety objective.

RESOLVED that;

1. The draft Statement of Licensing Policy with the additional wording "There should be strict adherence to Covid-19 regulations/guidelines in and around the venues" be recommended to the Cabinet.

**5. Urgent Business**

There were no matters of urgent business

The meeting closed at 7.09pm.
