6 Statement of intent

Please explain below why the area is considered appropriate to be designated as a Neighbourhood Area:

In the original application dated 9 January 2017 we stated that the original area was appropriate because it was the whole area of the Parish Council and was a properly constituted parish within the planning area of Chelmsford City.

However, on 23 April 2022 Chelmsford City Council agreed boundary changes for Boreham Parish through a Community Governance Review. Boreham Parish Council therefore wish to submit this new application to designate the Neighbourhood Area to align with the revised Parish boundary, as shown on the attached map. This application supersedes the application approved on 11 January 2017.'
